TACOMA-FUN
I FEEL SO
RELAXED

◆ ◆ ◆ SOME IS - NOT TO COLLECT ONE ◆ ◆ ◆

My friend Masha (that is from 4 & 4) said I want to a
hotel to collect data (after Masha's says) We know
nothing about each other, so we weren't going on a
holiday together (I still refuse to admit the truth) The
room we went to was decorated quite normally like
other rooms, but the bathroom was all clean On the
bed there was an eye mask, soap and a comb In
my hot bath break, I played with all the decorations I
even had a peach scented bath After my bath, I
wore my bathrobe and sang songs Masha was making
drum rhythms the whole time Thanks for coming with me,
let's go again some other time (laughed)

Doors

THERE'S

LITTLE
BRIDGE.

AND A
RIVER.

I don't know why, but in our office, there's a magazine full of pictures of shattering lips. I decided to use it for some idea. It was full of pictures of all these really handsome and shattering lips. I liked the fact that looks like a boy and the little hair is the chapter really want to read this, but I wanted them. It is I got good feedback about this chapter, so I really want to go and see some more. The fact, there's going to be a lot of more stories in this chapter, so I added a "The Naked Truth", writing to take down, "Lip" while I was drawing that part, my name appeared in and was "many" portrayed things like this, about you.

Again, I replied "If I were depressed, I wouldn't be able to draw if you've passed your power to me."

Then my name was "like I'm that" portrayed "he had a big fight that day, but a very happy, I was really happy during this chapter."

WE SHOULD TAKE A BATH TOGETHER... THAT'S WHY...
